**It uses the katakana for misaki. Here, he is doing a sort of play on words because "misaki" can mean beautiful bloom

it's dizzying

one that
smells so
sweet

Youichi

Was I
scratched
by a book
corner?

hmm...

thump

thump

thump

left without his
cell phone...

'call
my
cell
phone!'

Ah

I
thought

blank

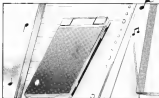

how
clumpy...

It's
not

Misaki

Has an accident
or some
thing?

before

Did you think

do anything
that would
trouble you
again Mizuki?
